Signature of Department Chair

2. INSTRUCTOR:

3. FACILITIES WHERE COURSE RESEARCH WILL BE CARRIED OUT:

4. SUBJECT POPULATION: (Include a description of the subjects and how they will be selected. Indicate whether any will be minors (under age 18 in California) or other members of vulnerable populations.)

5. EDUCATIONAL OBJECTIVES OF PROJECT(S):

PREPARE THE REMAINDER OF THIS APPLICATION BY FOLLOWING THE OUTLINE GIVEN BELOW. BE SURE TO INCLUDE ALL SECTIONS (unless you have received instructions to the contrary).

6. PROJECT PROTOCOLS: (Describe in detail the kinds of research in which students in the course will engage. While focusing on types and classes of research, some examples of these projects should be given for the guidance of the Committee. Verbatim instructions, copies of questionnaires, etc, should be included as appropriate.)
7. POTENTIAL RISKS: (Describe and assess any potential risks--physical, psychological, social, legal, or other--and assess the likelihood and seriousness of such risks. If methods of research create potential risks, describe other methods, if any, that were considered and why they will not be used.)
8. RISK MANAGEMENT PROCEDURES: (Describe procedures - including confidentiality safeguards - for protecting against or minimizing potential risks, and provide an assessment of their likely effectiveness. Be sure to outline how and where complications will be handled.)
9. POTENTIAL BENEFITS: Discuss those to be gained by the individual subject, as well as those benefits which may accrue to society in general, and/or to students participating in the course if there are any.
10. RISK-BENEFIT RATIO: (Your evaluation of this.)
11. EXPERIENCE OF INSTRUCTOR WITH COURSE: (Include such information as the number of times you have taught this course and the degree to which students will be supervised.)
12. INFORMED CONSENT: (Describe how informed consent will be obtained and who will obtain it.)
13. SAMPLES OF WRITTEN AND/OR ORAL MATERIAL to be used in obtaining informed consent should be submitted.

I hereby assure the Committee on Investigations Involving Human Subjects in the Social and Behavioral Sciences that the material submitted with this statement describes the methods to be used in the course I am teaching and that I shall inform the Committee of any significant changes in procedures as they may occur.
