Instructions for Fixing Internet Explorer

If you are having problems opening some web pages on the IRB website using Internet Explorer (IE), please follow these instructions:

1. Open IE and click on the “Tools” button.

2. Scroll down to “Internet Options.”
3. In the “Internet Options” window, click on the “Advanced” tab.
4. Then scroll to the bottom of the “Settings” window.
5. Click in the “Use SSL 2.0” box.
6. Click the “Apply” button.
7. Finally, click the “OK” button. You should now be able to open the “secure” pages on the IRB website.

If you have any questions, please contact the HRPP Office at 858-657-5100.
