Kuali Protocols/IRB System Down

The Kuali Protocols application (sometimes referred to as Kuali IRB) is currently down. Kuali and ITS are aware of the issue and are investigating and working on a solution to the problem. Regular status updates are available [here](#) as they work to resolve this issue. It is not necessary to submit tickets to the IRB regarding this issue.

University of California San Diego, 9500 Gilman Drive, La Jolla, CA, 92093
